

Episode 6 - Jumping Ship

Jeff Probst: <narration> *Previously* on Survivor... <The camera shows an early morning view of several Mayan temples and then fades into a fast-forwarded view of the sky>

Jeff Probst: <narration> At **Rapota**, tension brewed between J.P. and Danielle. <J.P. is shown>

J.P. - CONFSSIONAL: The plan that we all agreed upon was for *Jessica* to go home, <A close-up view of Candice is now shown> and everything went smoothly until Danielle started going after me...

JP: <to Danielle> I'm still *here*, so that's all that matters... <Danielle is seen subtly nodding her head>

Danielle: *Good*... <There is an awkward silence, as the camera scrolls across the **Rapota** members>

J.P. - CONFSSIONAL: <continued> You know, I could *confront* her about it but I just don't think that's gonna help my chances of staying. <A prominent drumbeat is heard, as the camera cuts ahead to show an overhead view of the **Naranjo** tribe's island, and then cuts ahead to show their flag>

Jeff Probst: <narration> At **Naranjo**, a powerful alliance was formed between Jamie, Brandon, and Rocky. <The camera now shows Cirie smirking, before cutting back to James, Jamie, and Brandon>

James: So who do we wanna start with? <Brandon is shown> Like say we lost this next challenge...

James - CONFSSIONAL: Myself and *Brandon* and *Jamie*, we've been calling ourselves, uh, the *Brotherhood*. <A clip of Brandon carrying an armful of firewood is shown> It's definitely gonna be the three of *us* pulling the strings <short pause> *all* day. <Cirie and Stacy are shown sitting on the bed>

Jeff Probst: <narration> But Cirie and *Stacy* were onto their plan... <The camera zooms in on Cirie>

Cirie: <whispering> I think those three guys right there are an alliance... <A clip of Brandon, Jamie, and James laughing is shown, as Cirie can be seen pointing to them>

Stacy: <to Cirie> Yeah; <short pause> I think so too... <A prominent sound is heard, as the camera rapidly zooms closer to an island, before showing an overhead view of a long, slippery course>

Jeff Probst: <narration> At the challenge, the tribes learned that they would compete for 65 gallons of freshwater and toiletries. <Jeff removes the cover from a basket of items>

Jeff Probst: Everything you need to get *clean* and smell nice. <A view of Candice is then shown>

Jeff Probst: <narration> But they *also* learned that the game was about to be shaken up... <The camera shows a wide view of the eight **Rapota** members, and then cuts back to Jeff>

Jeff Probst: Both tribes are going to Tribal Council tomorrow night. <A prominent drumbeat is heard, as rapid views of the surprised castaways are shown> Both tribes will vote somebody out. <Edgardo is shown tensing his expression> Two people going home. <Stacy can now be seen shaking her head, before the camera cuts ahead to show Candice tossing a blue ball into a basket>

Jeff Probst: <shouting> Candice scores for **Rapota**! <A disappointed Cirie is shown taking a deep breath> **Rapota** wins Reward! <The camera shows the joyous **Rapota** members hugging excitedly>

Jeff Probst: <narration> In the end, **Rapota** claimed Reward and J.P. went on to win individual Immunity. <A prominent sound is heard, as Jeff says "J.P." The camera then

shows J.P. turning over his green tile to reveal the letter “Y.” The castaways are then shown clapping>

Jeff Probst: Well, who else would win individual Immunity *but* J.P.? <Jeff now puts the Immunity necklace around J.P.’s neck> You’re safe from the vote at tomorrow’s Tribal Council. <J.P. is shown>

Jeff Probst: <narration> And J.P. would *later* have the power to give his Immunity to one member of **Naranjo**. <The camera cuts ahead show the eight **Rapota** members bathing in the ocean>

Candice: Oh my God; <laughs> I haven’t smelled anything *clean*. <Danielle is shown again>

Jeff Probst: <narration> Back at camp, <The camera shows a clip of Danielle shuffling through the basket of Reward items> Danielle and Candice took it upon themselves to divide up the *toiletries*.

Judd: I don’t get what you’re *doin’*, man. <Danielle now asks “How many bars of *soap* are left?”>

Judd - CONFESSIOAL: Candice and Danielle are like two *princesses*, man. <Danielle is shown handing a bottle of shampoo to Michelle> They’re going around saying which *shampoo* you can use, and how much *toothpaste* you can use, man. <Candice is now shown scrubbing her hair>

Candice: Gotta look good at Tribal Council... <laughs> <The camera shows a close-up view of a monkey hanging from a tree branch and then cuts ahead to show the **Naranjo** tribe’s flag>

Jeff Probst: <narration> Over at **Naranjo**, the “Brotherhood” alliance expanded to include Jonathan and Danni. <The camera now returns to Brandon and Jonathan, and scrolls around them>

Brandon: I say we let the strongest players make it to the Final Five for once. <Jonathan nods, as he says “I totally agree”> cause that’s what this game is *about*. <Brandon is then shown again>

Brandon - CONFESSIOAL: One thing I *wouldn’t* want is for somebody to make it to the Final Two just because they slid by under the *radar*. <An eerie shift in the music occurs, as the camera shows Danni> You know, if you’re gonna be the Survivor All-Star, <Underwater footage of Jamie swimming with the spear is shown> you better be doing everything you *can* to make sure that you’re the most deserving. <The camera cuts ahead to show a wide view of the four men talking together>

Jeff Probst: <narration> And they set their sights on eliminated Stacy. <Jonathan is now shown>

Jonathan: Stacy’s the most *underhanded*, <A close-up view of James is shown> and I think she’s somebody who <short pause> the longer she stays around, the harder she is to get *rid* of. <The camera then fades out to show the four women talking>

Jeff Probst: <narration> But when Stacy and Cirie wanted to target Brandon, Danni and Jonathan found themselves caught in the middle. <A close-up view of Danni is now shown>

Danni: <to Jonathan> I’m having second thoughts about the *Brandon* vote. <Jonathan is shown>

Jonathan - CONFESSIOAL: I’ve been asked to vote for *Brandon*. <Brandon is then shown next> It just comes down to who I would rather *betray*: <pause> a group of three *strong*, young men <The camera focuses on Jamie> who would probably seek some sort of *revenge*, or a group of four women with not a lot of power right now. <long pause> I don’t know... <A prominent sound is heard, as the eight **Rapota** members can be seen sitting around the fire>

Jeff Probst: <narration> Over at **Rapota**, Danielle and *Sekou* were both at risk... <J.P. is then shown>

JP: Think Sekou looked for the *idol*? <The camera now zooms in on Danielle>

Jeff Probst: <narration> But, hoping that it would earn her some points, Danielle came clean about the true story of the hidden Immunity Idols. <Danielle is shown with an expressionless look>

Danielle - CONFESSIOANAL: I guess *Jamie* made up this elaborate story about where the idol is buried, <A frustrated Judd is seen shaking his head> so <pause> now everything's out in the open.

Judd - CONFESSIOANAL: I'm absolutely *furious*, man, that I wasted my energy lookin' for that damn idol on our island. <Candice is heard asking "Oh, you were *looking* for it?"> I wanted to swim over to that other camp, man, and snap Jamie in half. <The camera shows Sekou talking to Michelle>

Jeff Probst: <narration> And with Tribal Council *looming*, Sekou wanted to ensure that he was safe.

Sekou - CONFESSIOANAL: You know, your position in the tribe is really *important*, so <pause> you want to make sure that you're in the right *alliances*. <A clip of both J.P. and Candice is shown>

Candice: <to J.P.> I *swear* he has alliances with everybody on this beach! <'Tally the Vote' begins to play, as the camera shows the eight **Rapota** members sitting down>

Jeff Probst: <narration> At **Rapota**'s Tribal Council, Sekou's alliance-making caught up with him when he was voted out at the tribe... <Sekou is then shown placing his torch into the slot in front of Jeff>

Jeff Probst: Sekou, <pause> the tribe has spoken. <Jeff can now be seen snuffing out Sekou's torch, before the camera cuts ahead to show the **Naranjo** members walking into Tribal Council>

Jeff Probst: <narration> J.P. listened in on **Naranjo**'s Tribal Council, <J.P. is shown sitting on the jury benches >where Stacy made a desperate plea for Immunity. <A close-up view of Stacy is shown>

Stacy: J.P., <The camera shows another view of the entire **Naranjo** tribe> helping *me* stay in the game is gonna help you because the more winners there are at the merge, <Rapid views of Tina and Brandon are shown> you know, you have a better chance of not getting voted *out*... <Jeff is now shown opening an envelope and pulling out a piece of parchment>

Jeff Probst: <narration> But when J.P. gave his Immunity to Jonathan, <Jeff is now shown revealing a vote for Jonathan> Cirie and Tina were surprised to see the rest of their alliance turn on Stacy.

Jeff Probst: *Sixth* person voted out of **Survivor All-Stars: Belize**: <Jeff reveals the deciding vote to the castaways> **Stacy**. <Stacy places her torch into the slot in front of Jeff>

Jeff Probst: <narration> The first former winner was voted out of the game. <Jeff is shown again>

Jeff Probst: Stacy, <long pause> the tribe has spoken. <Jeff now snuffs out Stacy's torch, as the camera switches angles to show the seven remaining **Naranjo** members>

Michelle - CONFESSIONAL: I'm not really looking *forward* to the challenge tomorrow, especially if *Stacy* got voted out because she *was* my main alliance, <A close-up view of J.P. is shown again> but there *is* a pact to stick together between Judd, J.P., myself, and Candice, and I think it's pretty solid, <Judd is shown next> so we'll see if it gets us to the end. <There is a prominent sound, as the screen fades out>

Jamie: Somebody had to go last night; <Brandon can be seen nodding his head> that's the way the game *goes*, you know? <The camera then goes back to Jonathan>

Jonathan - CONFESSIONAL: At Tribal *Council* last night, J.P. gave me his Immunity, <short pause> which I believed was absolutely essential to my survival, but <pause> I only ended up getting one *vote*. <A quick clip of Danni is now shown> You know, I'm starting to think "Am I the boy who cried *wolf*" here

because how many times in the Cook Islands did I *think* I was getting voted out and I didn't? <laughs> <The camera zooms out to show both Jonathan and Danni sitting by the fire together>

Jonathan: <to Danni> I just wanted to let you know that I have no hard feelings whatsoever; <A view of Danni is shown, as she subtly nods her head> you gotta do what you gotta do to *position* yourself, you know? <Danni can now be heard saying "Yep">

Jonathan - CONFESSIOAL: <continued> And the exact same thing is starting to happen *here*. <A wide view of several **Naranjo** members is shown> For some reason, people just keep me around <short pause> and I'm *glad* that they do because I have no *sympathy* for any of these players. <Tina and Cirie can both be seen sitting in the shelter> This is *Survivor*; we're down to a one in fourteen chance of winning a million *dollars*, and <pause> I'm gonna take it all. <There is a high-pitched flute-type sound, as the camera turns to Brandon>

Brandon: <to Jonathan> I'm gonna take the *boat* out in a few minutes if you wanna come fishing... <Brandon can be seen walking along the beach with a makeshift fishing pole>

Jonathan - CONFESSIOAL: At this point, I *believe* I'm in an alliance with Jamie, Brandon, and Rocky, <A clip of James and Jamie is shown> but if I see that they're starting to become too *powerful*, I would flip over to the women in an instant, <The camera now switches angles to show a wide view of the three women> so <pause> those three guys are not, you know, *safe* by any means. <James is now shown lounging in a hammock>

James - CONFESSIOAL: The "Brotherhood," as we're called, is *Jamie*, myself, and Brandon. <Rapid views of the three men are shown> We're in an *alliance*; we're partners in crime. <short pause> Uh, we're a *powerhouse* in challenges, and as long as we can keep *Danni* and/or Jonathan on our side, we're gonna be *runnin'* things over here, bro. <The camera now shows Jamie in the other hammock, as he turns his head towards James>

Jamie: <to James> Nobody knows how much I got your back... <James is shown again>

James: I got your back *too*, brother. <A clip of Tina and Danni both tending to the fire is now shown, before the camera turns back to Jamie and James>

James: I would take *you* to the Final Two anyway before *Brandon*... <Jamie is then shown>

Jamie: <to James> That's exactly what I wanted to hear; <short pause> I mean, we have nothing to worry about then... <There is a prominent drumbeat, before the music changes to become more mysterious, and the camera switches angles to show another view of Jamie>

Cirie: <to Brandon> Good catch! <There is an awkward silence, as the camera shows Jonathan taking the fish off of the hook. Cirie is then shown again> So am I going home next or is it *Tina*? <Brandon can now be seen turning his head>

Brandon: No one's really talked about it that much... <The camera then goes back to Cirie>

Cirie - CONFESSIOAL: I went *fishing* today with Brandon and *Jonathan* <laughs> mainly because <short pause> I didn't want the two of them to have the chance to *talk* about me behind my back... <Another view of Jonathan, Brandon, and Cirie is shown>

Cirie: Cause I need four votes for somebody else, <pause> and the four of you aren't gonna go for Danni... <Jonathan is now shown shifting his expression>

Jonathan: <to Cirie> The four of *who*? <Brandon is then heard saying "The four men">

Cirie: <to Jonathan> You, Brandon, Rocky, and Jamie... <Jonathan is then shown with an uneasy look on his face, as the camera focuses on him for a few seconds>

Danielle: *To unearth the second idol, you'll have to dig deep,
But the right time to look is not when your tribe's asleep.*

<The camera continues to show Danielle looking around, and then zooms in on another clue>

Danielle - CONFESSIOAL: One of the clues said something along the lines of "You can't find the idol when your tribe is *asleep*," <A haunting chant is heard, as the camera shows a close-up view of the sun> so that told me that there's something with the *sun* or maybe the *tide*. <Danielle is then shown walking in a straight line away from the temple>

Danielle: <talking aloud> What if I mark the *angles* of the sun? <Danielle is now shown crouching down on the beach, as she draws an 'X'>

Danielle - CONFESSIOAL: <continued> And then the *fifth* clue said "Within the temple's shadow is where the idol lies," and that I have to dig at sunrise, <An overhead view of Exile Island is shown, where Danielle can be seen on the beach> so I knew right away where to look and when. <A fast-forwarded view of the sky is then shown, as day turns to night and then back to morning again. The camera scrolls around the temple, as the sun begins to rise, and then goes back to Danielle, who is in the middle of digging in front of the temple>

Danielle: <to camera> I've dug out this whole *area* already; <short pause> I know it's around here *somewhere*, and I'm not gonna stop until my arms fall off <pause> and right now, we're *getting* there... <laughs> <Another chant is heard, as the camera fades out to show several clips of Danielle digging in the sand. The music changes to be more upbeat and positive, as the camera shows Danielle moving more sand away. A wrapped object is then seen>

Danielle: Thank you, God! <Danielle picks up the wrapped object and begins to unwrap it, as she lets out a relieved laugh. The camera then shows her opening up the box>

Danielle: <talking aloud> The hidden Immunity Idol... <Danielle can be seen taking a Mayan carving out of the wooden box and then unwrapping a note>

Danielle - CONFSSIONAL: I was getting a little worried that I was too late, but this *is* a hidden Immunity Idol. <Danielle is shown holding the idol in her hand> I'm not gonna tell *anyone* I have it. <long pause> I mean, this could be worth a million dollars in my *hand*. <A prominent drumbeat is heard, as the camera switches to an overhead view of Exile Island and then rapidly zooms out. The screen fades out>

Candice: *Select a friend to represent;
Choose the one most small.
You must also choose your strongest:
On their shoulders your fate will fall.
Pure will and a test of fortitude
Is what it's all about.
Fail to pull through for your tribe today,
And tonight your torch could go out.*

<A prominent sound is heard, as the camera shows Michelle looking down at the treemail message, and then scrolls back over to J.P.>

J.P. - CONFSSIONAL: We got treemail today, and <pause> it's a huge *challenge* for me. <A wide view of the entire **Rapota** tribe is shown> I plan on winning *every* Immunity Challenge that comes my way, <laughs> but if I lose, I could be gone. <Edgardo is now shown>

Edgardo: Who's our smallest, Michelle? <Michelle can now be seen nodding her head> And J.P., I think you're the *strongest*. <The camera switches angles to show Michelle again>

Jamie - CONFESSIOAL: <continued> Things have been going our way so far, but <long pause> we're here to cut the other tribe's throat. <A prominent sound is heard, as the camera turns to Jonathan> I'm sorry to *say* that, but if *they're* going to Tribal Council, that means we're *not*. <A clip of Jamie alone in a thick jungle area is then shown>

Jamie: <to camera> This is part of the idol that I was gonna hide, <Jamie can be seen holding up a piece of stone with some carvings on it> so this is my little good luck charm, and I hope it'll show that we're gonna be lucky today at the challenge... <A prominent drumbeat is heard, as the camera cuts ahead to show Brandon grabbing the **Naranjo** tribe's yellow challenge flag and the music becomes more dramatic. Jeff Probst: You guys ready to get to today's Immunity Challenge? <Tina can be seen nodding her head, as another castaway says "Yes"> I brought the Immunity Idol *with* me. <Jeff sets his hand down on top of the Immunity Idol> Immunity, once again, back up for *grabs*. <The camera now shows a wide view of both tribes, before cutting back to Jeff>

Jeff Probst: Here's how it works: <short pause> dangling over the water will be your two smallest tribe members. <A clip of the wooden tripods is shown> The *other* six tribe members will hold them up using a rope and pulley system. <The camera shows a view of **Naranjo**'s yellow rope, and then scrolls across it to a hitching post> The two tribemates that you chose as your strongest will be your *anchors* at the back, <J.P. can now be seen nodding his head> and every five minutes, the tribemate at the front of the line will let go of the rope, <A view of a female castaway's hands is shown, as she lets go of the rope> which will put more weight on the people at the back <The camera shows a view of the entire **Rapota** tribe> until only your strongest tribe member remains. <A quick view of Brandon is shown next> At that point, it becomes a showdown between the final two tribe members. <The camera now cuts back to Jeff> Last person left standing wins Immunity for their tribe. <A view of the **Naranjo** tribe is then shown next> For the losers, a trip to Tribal Council; <An expressionless James is shown staring ahead> you're voting somebody else out. <The camera shows Jeff again>

Jeff Probst: Everything clear? <A wide view of both tribes is shown, as the castaways respond with an enthusiastic "Yes">

Jeff Probst: Okay; **Rapota**, who's gonna be dangling from the tripod? <Michelle is now shown>

Michelle: *Michelle*. <The camera shows all seven **Rapota** members, and then returns to Jeff>

Jeff Probst: And who's gonna be your strongest member? <The camera zooms in on J.P.>

JP: Me. <Another castaway can be heard saying "J.P.," as a prominent drumbeat is heard, and the camera switches angles to show **Naranjo**>

Jeff Probst: **Naranjo**, who's your smallest member? <Danni can be seen raising her arm, as Jeff says "Danni"> And your strongest? <A close-up view of Brandon is shown next>

Brandon: It's gonna be *me*, Jeff. <J.P. is shown turning his head and tensing his expression, before the camera shows a close-up view of Jeff again>

Jeff Probst: Take your *spots*; <short pause> we'll get started. <The camera shows an overhead view of the challenge area, and then fades out to show a clip of Danni hanging from **Naranjo**'s tripod. A rapid view of Michelle is shown next, before the

camera fades out again to show the castaways lined up and holding on to their tribe's rope. Jeff is now shown>

Jeff Probst: Everybody doing alright? <J.P. is shown with a look of intense concentration on his face, as another castaway says "Yep." The camera then scrolls over to J.P.'s hands, before switching to an aerial view of the challenge area>

Jeff Probst: <narration> The first five minutes are *up*: <short pause> Bruce, <A close-up view of Bruce is shown> Cirie, let go of the ropes. <Cirie can be seen letting go of the rope, as she rubs her hands off on her shorts. Bruce is then shown walking past his tribemates>

Bruce: I did my *part*. <The camera goes back to Jeff>

Jeff Probst: <narration> Take a spot on your *mats*. <Cirie can be heard saying "Hang in there, guys," as the camera zooms out to show a wide view of both tribes again>

Jeff Probst: <narration> And then there were five... <The music speeds up, as the camera focuses in on a determined Tina, and then zooms in on her hands, before scrolling forward to show Jonathan>

Jonathan: Everybody stay *strong*... <Candice is now shown with a smirk on her face>

Candice: <to Jeff> How much time? <Jeff can then be seen looking down at his wristwatch>

Jeff Probst: About three minutes and thirty-five seconds. <Danielle is then heard asking "*Left?*" as the camera switches angles to show a clip of Michelle hanging in the tripod and trying to stretch her legs and arms>

Michelle: You're doing so good! <The camera scrolls around the challenge area, and then cuts ahead to show a wide view of both tribes still holding onto the rope. Jeff is shown again>

Jeff Probst: <narration> Michelle starting to lower a little bit. <Another view of Judd is shown>

Judd: <to J.P.> Pull the rope *back*, man... <J.P. can be seen with a look of exertion on his face, as he pulls the rope back and Michelle raises again. The camera shows both James and Brandon, before going back to Danni, as she tries to stretch her leg to keep circulation>

Danni: Keep *going*! <Brandon is shown again> Stay strong, **Naranjo**! <A fast-forwarded view of the sky is shown, before the camera fades out to show Judd again>

Jeff Probst: Okay; <pause> another five minutes is up. <James now looks back at Brandon>

James: <to Brandon> It's all *you*, brother. <Another view of Jeff is shown next>

Jeff Probst: Judd and Rocky, <short pause> let go now. <A prominent drumbeat is heard, as the camera shows Judd letting go of the rope>

Jeff Probst: This is it: we're down to the two strongest tribe members. <The camera focuses in on a determined J.P. for a few seconds, before fading out to show Brandon, who is lying in the sand and holding the rope back confidently. J.P. is then shown again>

Jeff Probst: J.P. struggling to hang on. <Michelle is seen lowering again, as she says "Hang on, J.P." The camera shows J.P. pulling the rope back> Two weeks with little food, water, and sleep really taking their toll. <Another close-up view of J.P. is shown, as his arms begin to shake. Jeff Probst: Who will drop down *first*? <J.P. is shown struggling to pull the rope back again>

JP: Not me. <A prominent drumbeat is heard, as the camera shows another fast-forwarded view of the sky, as clouds rapidly shift in front of the sun. Rapid clips of both Brandon and J.P. are then shown, before the camera fades out to show Jeff>

Jeff Probst: We've now reached the one hour mark. <James is heard saying "Awesome"> The rest of the challenge is now going to play out on your feet.

<Brandon can be seen shifting his weight to climb back onto his feet. The camera then goes back to J.P.>

Jamie: <to Brandon> He's gonna let go, bud. <An aggravated Judd now shakes his head>

Judd: <to Jamie> You should just shut your damn mouth, man! <The camera focuses back in on Brandon for a few seconds, as Jamie says "I'm trying to be *encouraging*">

Jeff Probst: You've now reached *ninety* minutes... <A fast-forwarded view of the sky is shown, as the camera shows rapid clips of the four competing castaways and then fades out to show Jeff again, as he says "Two hours." Jeff Probst: Rapota, <J.P. is now shown> tonight, you'll be down to six. <A close-up view of Candice is shown next> For one person, this game is about to end. <The camera then focuses in on Danielle> You'll have the afternoon to figure out who that's gonna be. <Both tribes are shown, before the camera cuts back to Jeff>

Jeff Probst: Grab your stuff; <short pause> head back to camp. <The camera shows the still-celebratory Naranjo members walking out of the challenge area with the Immunity Idol, and then turns back to the downtrodden Rapota members. Danni: To kicking butt and staying together... <James can be heard shouting "Yeah">

Brandon - CONFESSIOINAL: <continued> We're like <pause> on Cloud *Nine* right now. <A close-up view of the Immunity Idol is shown> We all work as a *team*, and <pause> I hope we can keep it *up*, man. <The castaways can be heard cheering "One, two, three, Naranjo!" as a prominent drumbeat is heard. The screen then fades out>

Rapota Tribe - Day 16

<'Dissent' plays, as the camera shows a fast-forwarded view of the sky, and then fades out to show the tide washing up against the shore. Underwater footage of many fish darting around is shown, before a shark can be seen swimming up to them and they scatter. The seven Rapota members can then be seen walking back up their beach>

Danielle: Hey, *losers*... <Edgardo is then heard saying "I don't know why we keep *losing*">

Bruce - CONFESSIOAL: After today's challenge was five losses in a *row* for me at Immunity Challenges... <The camera then turns to show both Bruce and Judd>

Judd: I'm getting pissed *off*, man. <J.P. is now shown sitting down on a log by the fire>

JP: Damn; we were close... <Bruce is shown again, as he chops a branch with the machete>

Bruce - CONFESSIOAL: <continued> I feel like I never left Casaya and I *really* just want to start winning something so we can feel better about our tribe. <A rapid clip of the castaways' torches leaning up against the shelter is shown, before the camera shows Judd and Danielle>

Judd: <to Danielle> We just got our *asses* kicked again, <Danielle is then heard saying "I know"> but <pause> you can't blame it on anybody... <Another view of Judd is shown>

Judd - CONFESSIOAL: Going to Tribal Council again is not the end of our *world*, man. <A wide view of several **Rapota** members is shown> The plan before going into the Immunity Challenge was to vote *Danielle* out, so <pause> it's gonna be *Danielle's* time to go. <The camera now switches angles to show Edgardo standing beside Danielle>

Edgardo: Oh, when Jeff gave them the *Immunity* Idol, I was ready to run over there and grab it out of his *hand*, dude. <The camera focuses back in on Danielle>

Danielle - CONFESSIOAL: We lost again today at the Immunity Challenge. <A clip of J.P. walking along the beach is shown> It's really *hard* having to go to Tribal Council five times this early in the game, and especially being that I'm in the *minority* right now... <The camera then returns to Danielle and Edgardo, who are cutting up coconut>

Edgardo: <to Danielle> It only takes one vote to *swing* it... <Danielle nods her head>

Danielle - CONFESSIOAL: <continued> ...so my whole plan is to talk to *Candice* because I think she's the most likely to *switch*, <A close-up view of Candice is shown> and <pause> hopefully I don't even have to show her the idol. <There is a prominent sound, as the camera cuts ahead to show Danielle and Candice walking along the beach>

Danielle: Where do you think you fall in your alliance? <Candice now looks towards Danielle>

Candice: <to Danielle> Honestly, we've never even talked about how it might go, <The camera shows a clip of Judd and Michelle tending to the fire> but probably Judd and Michelle would, you know, line up. <The camera then returns to Danielle>

Danielle: <to Candice> You don't think J.P. would win all of these *challenges*? <J.P. is shown forcefully chopping into a coconut with the machete, before the camera shows Candice>

Candice: No, I don't *know*... <The camera then continues to focus on Candice>

Candice - CONFESSIOAL: My mind's about going *crazy* right now. <laughs> I mean, there's a bit of a *dilemma* in there because one of the ideas I've been tossing around is jumping ship over to Danielle, Bruce, and Edgardo, <Rapid clips of both Edgardo and Bruce are shown next> and voting *J.P.* out tonight... <Danielle and Candice are shown again>

Danielle: <to Candice> How many times did he win *Immunity*? <The camera now zooms back in on Candice, as she says “Five”>

Candice - CONFSSIONAL: <continued> You know, now would be the time to do it because there’s still seven *people*, <A clip of several **Rapota** members gathered around the fire is shown> and it’s always better to make a switch when there’s an odd *number*, so <pause> I’m gonna be weighing my options very *carefully*... <Candice is now shown again>

Candice: <to Danielle> I just don’t want to make anymore *enemies*. <laughs> That’s the only

reason I’m even *hesitating* because I think J.P.’s by *far* the biggest threat... <The camera shows another view of Danielle, as she nods her head>

Candice - CONFSSIONAL: I made a promise that I would think every decision *through* and not do anything *impulsive* like I did last time, <Another view of Candice is shown again> so if I decide it’ll be better for me to vote out *J.P.*, then that’s who’ll go *home*. <There is a prominent sound, as the camera cuts ahead to show a skull and then fades into a view of a contemplative Candice sitting alone by the fire. Michelle is then shown walking over to her>

Michelle: <to Candice> Who are we targeting? *Danielle*? <Candice now looks up at Michelle with an unsure expression on her face>

Candice: I don’t *know*; <short pause> what do you think about voting off *J.P.*? <Michelle is now shown with an uneasy look on her face> I mean, he’s a really nice *guy*, but he’s gonna be a big threat to everyone. <J.P. is shown sitting in the shelter, as he turns his head>

J.P. - CONFSSIONAL: *Somebody’s* going home tonight at Tribal Council, and <pause> for the first time, I really am worried. <The camera continues to focus on J.P.> I see Candice and Danielle talking a lot; <A clip of both Danielle and Candice washing their hair is shown> who knows what *that’s* about? <laughs> My gut says that everything is *good*, but <pause> it may *not* be. <The camera now shows Judd talking to Candice>

Judd: <to Candice> What has she been *saying*, man? <The camera zooms in on Candice>

Candice: She’s been trying to push me to vote off J.P., and now I want her sent *home*; <Bruce, Danielle, and Edgardo are all shown talking in a group> I mean, I don’t like her *pressuring* me at all... <Another close-up view of Judd is shown next>

Judd: <to Candice> You’re *not* voting for J.P.?! <The camera shows an unfazed Candice>

Candice: No; I’m *not*. <J.P. is then shown again, as he gets out of the shelter>

J.P. - CONFSSIONAL: <continued> I’ve performed *well* in the challenges and at camp. <A wide view of the main **Rapota** camp is then shown> I am, if not the hardest worker, *one* of the hardest workers, so <pause> getting rid of me just wouldn’t make *sense*. <A sympathetic piano-type music now begins to play, as the camera shows a view of several palm trees and then scrolls down to show both J.P. and Judd>

JP: So what do you think, Judd? <The camera now zooms back in on Judd>

Judd: <to J.P.> I don’t have any reason to doubt Candice *whatsoever*, <Another view of Candice is shown next> but I don’t have a good feeling about this Tribal Council at *all*, man.

J.P.: <to Judd> You think Candice is gonna turn? <Judd is then shown again>

Judd: It's a game. <pause> Who's trusting *anybody*, man? <The camera goes back to J.P.>

J.P. - CONFESSIOAL: There's been a lot of things going *on* in my life over this last year. <A close-up view of J.P. is shown> You know, I came to terms with my sexuality and it was *hard* for a while, but I can honestly say that I'm happy with myself *now* than I've ever been, <The camera continues to focus on J.P. for a few seconds> so <pause> if I get voted off tonight, then at least I'm excited to see what's gonna *happen* to me in the *rest* of my life. <Several prominent drumbeats are heard, as the camera cuts back to Candice and Danielle>

Danielle: <to Candice> This is the smartest *idea*; <Candice can be heard saying "Yeah"> both of us can go a lot further... <Another view of Candice is shown next>

Candice: I know we can really help each other out. <A mysterious sound is heard, as the camera cuts back to the main **Rapota** camp area to show Bruce grabbing his torch>

Bruce: <to Michelle> The vote's going against *J.P.* <Michelle is shown nodding her head>

Candice - CONFESSIOAL: I know I have to make this *choice* tonight. <The camera now shows Candice grabbing her torch> You know, it's a big decision and I haven't made up my *mind* yet. <A wide view of Edgardo, Judd, and Michelle is shown> I'm looking *forward* to the showdown between Danielle and J.P., <Quick views of both J.P. and Danielle are shown> but *somebody's* gonna come back mad tonight, and I wish it wasn't because of me. <A view of the seven castaways walking out of camp is shown, as the screen fades out>

Tribal Council #7 - **Rapota Tribe**

<'Tally the Vote' begins to play, as the camera shows a wide view of the stormy sky, and a flash of lightning is seen over the ocean. An aerial view of the spooky Tribal Council is then shown, before the camera fades out to show the seven **Rapota** members walking up the long path. A view of a shipwreck is then shown, before a prominent sound is heard, and the camera cuts ahead to show a close-up view of a menacing skull. The castaways can then be seen walking into Tribal Council and sitting down on their stumps. Jeff is shown next>

Jeff Probst: Looks like it's gonna be *another* rainy night at Tribal Council. <A prominent sound is heard, as the camera shows J.P. rolling his eyes, and then cuts back to Jeff>

Jeff Probst: Bruce, <short pause> in two seasons of Survivor, *you've* been to a lot of different Tribal Councils. <The camera shows Bruce nodding his head> Is it getting to the point now where you're just *tired* of seeing me here? <A view of the **Rapota** members is then shown>

Bruce: I just don't like Tribal Council *altogether*, <Michelle is shown> and this was probably the hardest loss I've had so far in this game because when I was holding that rope today in the Immunity Challenge, I was using my family's thoughts and *strength* to keep me going, <The camera now focuses in on Judd> so I felt kinda like I let them *down* when we lost. <J.P. is now shown with a strange look on his face, before the camera switches angles to show Jeff>

Jeff Probst: Danielle, how does this tribe compare with Naranjo? <Danielle is then shown>

Danielle: The other tribe, they're getting well-*fed*; <The camera shows Edgardo> they *sleep* better, so of course, they're gonna be stronger. <A prominent drumbeat is heard, as the camera turns to J.P.> The reality is if we keep losing *Immunity*, we're just gonna get picked off, so it's a scary *situation* right now. <The camera now returns to Jeff>

Jeff Probst: J.P., <pause> how *surprised* were you that Brandon outlasted you in the Immunity Challenge today? <Another view of J.P. is shown next>

JP: Look; <short pause> I'm sorry that we don't have a bed to sleep in and five-star meals with silverware and plates, <The camera scrolls across several uneasy **Rapota** members> but I did my best today and there's a *reason* why I was picked to be last in the challenge. <Danielle can now be seen looking up, as rain pours down on her> Nobody here could have done better and they know it... <There is an eerie shift in the music, as the camera shows both Judd and Candice, and then focuses back in on Jeff>

Jeff Probst: So *Edgardo*, <The camera scrolls across several castaways and then zooms in on Edgardo> how was it that J.P. ended up as the "strongest" member? <J.P. is shown> Was it a *group* decision or did he nominate *himself*? <The camera turns back to Edgardo>

Edgardo: It was pretty much a unanimous tribe *vote* just because he wins Immunity all the time, <Bruce is now shown next> man, <laughs> but nobody like *forced* him to stand up there... <The camera shows Danielle nodding her head, before going back to Jeff>

Jeff Probst: Danielle, you're nodding your head. <J.P. can then be seen tensing his expression> Completely in agreement with what Edgardo just said? <Danielle is then shown again, as the camera zooms back in on her>

Danielle: I think if you want to be, you know, the one to step up to the *plate*, <The camera shows a wide view of the entire **Rapota** tribe> you have to be just as prepared to take the blame for *losing* as you are to be praised if you won... <J.P. is now shown smirking, as he shakes his head in disbelief and then interrupts Danielle>

JP: If they're putting the blame on *me* for losing today, there's something else going on because <short pause> *it* wasn't my fault. <The camera then goes back to Jeff>

Jeff Probst: Isn't it true what J.P. is saying though? <Another close-up view of J.P. is then shown next> Why should he be held responsible when he did more than anyone else? <A wide view of all seven **Rapota** members is shown again>

Michelle: For me, *personally*, I know that J.P. *was* our strongest member, <The camera focuses back in on J.P., as he listens intently> but everyone else did their part and he *didn't*, so <short pause> I think that's what you have to *go on*. <J.P. can be seen rolling his eyes again, as a prominent drumbeat is heard, and the camera cuts back to Jeff>

Jeff Probst: Let's talk about the *Reward* Challenge then. <The camera shows a burning flame and then scrolls forward to show all seven **Rapota** members> Would it be *fair*, Judd, to vote you off tonight just simply because of your performance in the Reward Challenge? <Candice is shown turning her head, before the camera zooms in on Judd>

Judd: To be *honest* with ya, I don't know what the hell they're *talkin'* about, man. <A prominent sound is heard, as the camera turns to Bruce> *Nobody* has gone in there and kicked ass in every single *challenge*, <J.P. is now shown again> and I think we need *J.P.*, <pause> so the person whose getting *my* vote is the person who's just trying to stir the pot all the damn *time*, man, <Danielle can now be seen tensing her expression> and whoever that person is needs to go. <There is a mysterious sound, as the camera scrolls back over to Jeff>

Jeff Probst: Candice, <long pause> with your two *experiences* in this game, is it too early to start figuring out if there is a "*key*" to being successful? <Edgardo is now shown listening intently, before the camera switches angles to show Candice again>

Candice: I think the *key* is you have to be able to *adapt*. <short pause> You know, I think we've seen with all the winners that they've shown how important it is. <Danielle is then shown with a thoughtful look on her face> I mean, you could be best friends with a person *today* and then you have to vote them off tomorrow if it's *better* for you. <There is a prominent drumbeat, as the camera shows a burning torch and then returns to Jeff>

Jeff Probst: Danielle, <short pause> have you started to consider how the game will be *different* after tonight's Tribal Council? <The camera now shows a close-up view of Danielle>

Danielle: I *have*; <short pause> the vote tonight can potentially change the whole game because I'm not voting along with what the majority might *think*. <A wide view of both Judd and Michelle is shown> I'm actually hoping that someone from the other alliance is gonna switch *over* and vote for who I want to go, <Candice is shown with a nervous look on her face> and if that *happens*, then the game is gonna get a lot more cutthroat. <A prominent sound is heard, as the camera shows Judd tensing his expression. Jeff is then shown next>

Jeff Probst: So J.P., <pause> if it's *you* tonight... <The camera now turns to J.P.>

JP: Oh, it hasn't even clicked yet that I could be going home tonight, and <pause> you know, I *really* hope that's not the case, <Bruce is now shown staring into the distance> but it's a lousy feeling knowing that just about everybody wants me gone. <The camera shows Michelle shifting her expression> You know, they haven't made *eye* contact with me today, <Judd is then shown next> so <pause> if I get voted out, at least I can say it's because I'm *strong* and I'm a threat to them. <There is an eerie shift in the music, as the camera turns to Jeff>

Jeff Probst: Alright; <pause> let's get to the votes. <A close-up view of the central fire is shown, before the camera fades out to show the entire **Rapota** tribe> If someone does have a hidden Immunity Idol and you want to play it tonight, <The camera focuses in on Edgardo for a few seconds> you would present it to me *before* I read the votes. <Danielle is now shown subtly nodding her head, before the camera turns to Candice>

Jeff Probst: It is time to vote; <The camera shows a wide view of the main Tribal Council area and then returns to Jeff> Michelle, you're up.

<Michelle is now shown walking past the central fire, before the camera switches angles to show a close-up view of Edgardo. The camera now scrolls over to Judd, and then fades into a clip of a flickering flame. Michelle can then be seen placing her folded vote into the urn, before the camera cuts ahead to show J.P. writing a

name down on his piece of parchment. A quick view of Candice is shown, before the camera returns to J.P. and he holds his vote up to the camera: **Danielle**>

JP: You haven't taken any time to get to know me, <The camera now focuses on an uneasy Danielle for a few seconds> and I just can't trust you... <J.P. can be heard saying "Sorry," as he folds his vote in half. The camera then fades into an aerial view of the main Tribal Council area, as Bruce can be seen making his way to the voting confessional. A wide view of the other **Rapota** members is then shown, before Bruce is shown uncapping the pen. A skull is shown next. The camera then cuts ahead to show Danielle holding up her vote: **J.P.**>

Danielle: You *should* have went home last Tribal Council; <J.P. is shown> you got three extra days, so stop acting like you're a *victim*. <Danielle is now shown again, as she places her folded vote into the urn. The next castaway to vote is Edgardo. He can be seen reaching the voting confessional, before the camera switches angles to show Bruce, and then cuts back to Edgardo, as he places his folded piece of parchment into the voting urn. A close-up view of a burning torch is then shown, before the camera shows Judd holding up his vote: **Danielle**>

Judd: You and Edgardo *both* need to get out of my tribe, man. <The camera goes back to the other six **Rapota** members> I'm just *tired* of you... <A prominent drumbeat is heard, before the camera shows a clip of Candice walking up to the voting confessional, and a mysterious shift in the music occurs. Candice then picks up the pen, before the camera fades out to show J.P., and then scrolls over to Danielle. Candice is then shown folding her vote and placing it into the urn, as another prominent sound is heard. A wide view of the main Tribal Council area is then shown, as Candice returns to her stump. Jeff is then shown next>

Jeff Probst: I'll go tally the votes. <A haunting tribal chant is heard, as Jeff can be seen walking out of sight, and the camera cuts ahead to show a close-up view of a nervous Danielle. J.P. is shown next, before the camera fades out to show a view of a flickering fire, and then zooms out to show the entire **Rapota** tribe. Jeff now returns onto the screen with the voting urn in his hands, as the camera zooms in on him>

Jeff Probst: If anybody has the hidden Immunity Idol and you want to play it, <Another close-up view of Danielle is shown> now is the time to do so. <Rapid clips of both Edgardo and Candice are then shown, before the camera scrolls back over to Jeff and he says "Okay">

Jeff Probst: Once the votes are read, the decision is final. <A wide view of all seven **Rapota** members is then shown> Person voted out'll be asked to leave the Tribal Council area immediately. <The camera focuses back in on J.P., as he nods his head> I'll read the votes.

Jeff Probst: <Jeff can be seen reaching into the urn, as he pulls out the first vote, and turns it over> First vote: <Jeff now reveals the vote to the castaways> **Danielle.** <A prominent sound is heard, as the camera cuts ahead to show Danielle nodding her head, and then scrolls over to J.P. A quick view of Bruce is shown next, before the camera cuts back to Jeff>

Jeff Probst: <A quick view of Candice is shown, before Jeff reveals the second vote to the castaways> **Danielle.** <Edgardo is now shown raising his eyebrows, before the camera zooms out to show all seven **Rapota** tribe members> Two votes

Danielle. <A close-up view of Michelle is shown next. The camera then goes back to Jeff>

Jeff Probst: <Jeff is now shown pulling the third vote out of the urn. He unfolds it, and then reveals it to the castaways> **J.P.** <A prominent drumbeat is heard, as J.P. can be seen smiling knowingly, and the camera zooms in on him> **Two votes Danielle;** <The camera then cuts back to Danielle> **one vote J.P.** <The camera shows a burning torch, and then scrolls forward to show a view of Judd, before returning to Jeff, who already has the next vote in his hands>

Jeff Probst: <Jeff quickly reveals the next vote to the castaways> **J.P.** <The camera shows J.P. shaking his head> **We're tied:** <short pause> **two votes J.P.;** <The camera continues to focus on J.P.> **two votes Danielle.** <Quick views of each of the castaways are shown, before the camera shows an uneasy Bruce, and then goes back to Jeff>

Jeff Probst: <Jeff is now shown pulling the fifth vote out of the urn. He unfolds it, and then reveals it to the castaways> **J.P.** <There is a prominent drumbeat, as the camera cuts ahead to show Judd tensing his expression> **Three votes J.P.;** <The camera shows a rapid view of J.P.> **two votes Danielle.** <Danielle is shown next. Candice is then shown looking around nervously, before the camera cuts back to Jeff>

Jeff Probst: <The music now softens, as Jeff reaches back into the urn and pulls out the deciding vote. He turns it over, and stares at it with a slight look of amusement> **Seventh person voted out of Survivor All-Stars: Belize:** <A rapid view of Edgardo is shown, before Jeff reveals the vote> **J.P.** <A prominent flute-type sound is heard, as the camera shows another wide view of the **Rapota** tribe, and a blindsided Judd can be seen shaking his head angrily. The camera then shows J.P. raising his eyebrows>

JP: Wow... <A close-up view of Candice is shown, as a mysterious shift in the music occurs. The camera scrolls over to Danielle, and then returns to Jeff again>

Jeff Probst: That's *four*; <short pause> that's enough. <The camera focuses back in on J.P. for a few seconds> we'll leave the last vote a mystery. <Another view of Jeff is then shown> **J.P., you need to bring me your torch.** <The camera scrolls across each of the **Rapota** members, and then shows a clip of J.P. grabbing his torch. A frustrated Judd is then shown again, before the camera cuts ahead to show J.P. placing his torch into the slot in front of Jeff>

Jeff Probst: **J.P.,** <A close-up view of a disappointed J.P. is shown> **the tribe has spoken.** <A prominent drumbeat is heard, as the camera shows Jeff snuffing out J.P.'s torch>

Jeff Probst: <to J.P.> **It's time for you to go.** <J.P. can now be seen looking back at his tribemates, as the camera zooms out to show a wide view of the main Tribal Council area>

JP: Have fun stabbing each other in the *back*; <short pause> *God.* <J.P. now shakes his head in disbelief, as he walks out of the main Tribal Council area. An expressionless Candice is then shown waving, before the camera shows Danielle looking up, and then scrolls over to a burning torch. A prominent drumbeat is heard, as the camera cuts back to Jeff>

Jeff Probst: Well, <long pause> after starting this game by voting out the *weaker* members, you finally take out a *threat*. <The camera returns to Danielle> The problem *is*: you're still not winning. <A wide view of the entire **Rapota** tribe is then shown next> Maybe tonight's vote will *change* things; <Jeff takes a short pause, as the camera scrolls over to Bruce> point this tribe in a new direction. <Danielle is shown again> We'll see how it plays out. <The camera shows another view of Jeff> Grab your torches; <pause> head back to camp. <Jeff can be heard saying "Good night," as 'Ancient Voices of the All-Stars' begins to play, and the six remaining **Rapota** members stand up. Candice is then grabbing her torch, before the camera cuts ahead to show a front view of the castaways walking out of the main Tribal Council area. A burning torch is then shown, before the camera switches to an overhead view of Tribal Council. The screen then fades out>

J.P.'s Final Words:

<'Island Council' plays, as the camera shows a close-up view of a shocked J.P., who is sitting at a torch-lit confessional with many candles on the podium>

JP: I guess I know now what it feels like to get my *torch* snuffed out by Jeff, but you know, I don't have a single regret. Not *one*. <short pause> I played the game in a way that I can be proud of and this was one of the most amazing experiences of my life. <The camera now cuts ahead to show a later portion of J.P.'s Final Words> I didn't *have* to win again to know that I'm strong and I was a threat and that's why I'm *sitting* here right now. <pause> It's not because I was *lazy* or weak, and as far as I'm concerned, I went out the best way possible. <The screen fades out>
